VOLUNTEERING

24/04/2026 – 25/04/2026 Cluj-Napoca

Polyhack Hackathon | Backend Developer

- Engineered backend architecture using NestJS, sharing core responsibilities with one other developer within a 5-member agile team.
- Delivered functional software under strict deadlines, demonstrating resilience and effective problem-solving in a high-pressure environment.
- Strengthened hands-on coding and system integration skills through rapid, collaborative prototyping.

10/10/2020 – 12/10/2022 ALBA IULIA

XEO

I was a member of my high school's robotics team, and we won first place in the FIRST LEGO League competition 28th of March 2021.
• Responsible for the design and fabrication of mechanical modules adapted to competition challenges.

10/10/2020 Ighiu

Children's Camp Counselor & English Teacher at Happy Faces Camp

1. At the camp, I learned how to overcome unexpected challenges, work in a team, and plan my tasks.
2. Served as a tour guide for large groups of children and parents at the Alba Carolina Fortress, learning strong responsibility and organizational skills.
3. Instructed children in various skills, developing strong public speaking abilities.

SKILLS

Microsoft Office | Microsoft Word | Microsoft Excel | Microsoft Powerpoint | Linux | MATLAB | work as a team | Java (computer programming) | Typescript | Nestjs | C++ | C | PostgreSQL | Angular

HOBBIES AND INTERESTS

Programming

Since highschool I have found a great fascination about computers and how they work. That led me to try many programming languages and other technologies.

European languages and cultures [French & German]

I am interested in learning the French and German languages and exploring their cultures. I am continuously improving my language skills and I enjoy discovering aspects such as history, traditions, and literature.
